# Please Choose Your Reader

## **Richard Melendez**

Richard has been reading tarot for over 27 years with a dynamic and interactive style. Richard's specialty is in past life readings. As an Empath and Clairsentient he combines reading your aura energy with tarot to give spiritual guidance on all matters including relationships and karmic destiny. To begin your reading, please give Richard your date of birth, he will begin with your soul card reading, which is a unique tarot reading experience. [www.My3DTarot.com](http://www.My3DTarot.com)

## **Lynne Kuber**

Using the technique of "Psychometry" she holds a personal object belonging to the person being read and quickly records her impressions on paper. Each person she sees is provided with a private, individualized, written reading. Lynne's readings are highly detailed and accurate and are a combination of "psychic information" regarding current situations, future predictions in all facets of the individual's life and "mediumistic" – spirit messages from departed loved ones that provide the client with comfort and closure. ## **Pauline O'Connell**

My name is Pauline and I am an intuitive/medium. I have been able to see spirits since I was a child. I hear from loved ones who have crossed and pass those messages on to you. In our busy daily lives we often miss the signs and symbols that Spirits give us. I have found that through readings, Spirits can bring comfort to those of us left behind.
